

TOMGC Rules and Greens

October 2018

There has been much said about the anticipated rules changes coming January 1st of 2019. In fact, some of the proposed changes have been incorporated through Local Rules by the pros, and by some club organizations. Your Twin Oaks Men's Club rules committee did in fact consider such a change, but determined that it was better to wait until the new year to see exactly what the changes were to be, and then to deal with them at that time. Regardless, it is certain that these changes are the most substantial made by the Royal and Ancient in many years. While it should be remembered that these changes will not take effect until the first of the new year, I thought that I would share a nice video sent to me by Tom Rousseau. This video discusses some of the top, substantial, changes that are being proposed. Take time to enjoy this video presentation. (Sorry if you get a small add in the beginning, you can skip it after a few seconds.)
